## **Secretary of Education Glen Thomas Issues Statement on 2009 CAHSEE Results**

Secretary of Education Glen Thomas today issued the following statement regarding the release of the 2009 California High School Exit Exam (CAHSEE) results:

"California has some of the most rigorous academic standards in the nation, and our students have proven time and time again that they can meet and exceed the high expectations set for them. Today's report reflects the good work underway in California's classrooms to help ensure our students are equipped with the skills necessary for success after graduation; I applaud our young people for the important academic progress they're making, as well as the parents, teachers and administrators who have supported them along the way."
